

CRM JAMAICA GROUP · posja.biz

CRM POS

Point of sale built for how real businesses sell
— Jamaica and worldwide.

No big install fee · per terminal, per month
Works when the internet doesn't · any currency

FROM TUCK SHOP 1

2 x Beef Patty	600.00
1 x Bag Juice	50.00
Fried Chicken (M)	450.00

TOTAL	1,100.00
ACCOUNT · D. Brown 7A	
Balance	1,450.00

One system. Configured for your sector.

Schools & canteens

Student accounts loaded by parents, PATH meal claims, daily meal caps, tuck shop and canteen registers, term reports for the bursar.

Restaurants, ice cream & food

Flavours, sizes, toppings and sides chosen at the counter; hot lunches by size; sundaes, shakes, combos; kitchen-friendly tickets.

Shops, pharmacies & wholesale

Barcode scanning, stock counts with variance, low-stock alerts, cost and margin by item, GCT return report, customer tabs.

Bars, clubs & events

Tabs, shift cash-up with float and variance, multiple registers, fast favourites screen, card machine or QR card payments.

Churches, NGOs & alumni

Donations and dues as products, member accounts and statements, event sales, sponsor billing.

Salons, gyms & services

Service menu with add-ons, prepaid packages on account, staff sales by cashier, appointment-day reporting.

Every plan includes

- Favourites screen that opens on what you sell most
- Cash, card machine, card by QR, customer accounts
- Keeps selling when the internet drops; syncs when it returns
- Reports: what sells when, by whom, profitability, GCT
- Receipt printer & barcode scanner support
- Pictures on every item · sizes S/M/L or by ounce
- Runs on iPad, Android, Windows, Linux — any device you own
- Inventory: stock in, wastage, counts, value at cost
- Your logo, colours and name on screen and receipts
- Any currency, any country — we serve clients worldwide
